

# PHOEBE LED FLEXI STRIP-LIGHT RGB

INSTRUCTIONS RELEVANT TO PHOEBE LED FLEXI STRIP-LIGHT RGB RANGE OF PRODUCTS ONLY

**THANK YOU for buying this PHOEBE LED product.** To help ensure this LED Flexi Strip-Light gives complete satisfaction please only use it according to the following instructions, and then pass the instructions to the appropriate person for retention and future reference.

### Warranty

This product has been manufactured to strict quality standards and comes with a three-year manufacturer's warranty. If you have any cause for complaint then please contact the dealer where you purchased the product who will handle any replacements, where applicable.

### Safety

1. Do not operate the LED Flexi Strip-Light if damage is visible.
2. If used on the floor the cable must be protected against unnecessary damage.
3. Make sure the power is switched off when cleaning or mounting the LED Flexi Strip-Light.
4. Do not look directly at the LED chips.
5. Do not cover the LED Flexi Strip-Light while in operation.
6. Do not connect the LED Flexi Strip-Light to other styles of LED Strip Light or other electrical devices.
7. Do not place the LED Flexi Strip-Light into household waste
8. Contact your local recycling agency for advice on how to recycle your LED Flexi Strip-Light

### How to Affix the LED Flexi-Strip Light to a Surface

1. Peel back the 3M Adhesive backing.

1. The surface must be clean and free from dust and grime.
2. Press the LED Flexi Strip-Light firmly into place.

### Assembly Instructions

1. Follow the diagram below for a typical LED Flexi Strip-Light circuit.
2. The connections are polarity sensitive: Always match up the "RGB + - -" with a corresponding "RGB + - -".
3. The LED Flexi-Strip Light strips are IP65 rated and are suitable for outdoor use.
4. The power supply is IP20 rated and must be installed in a dry location only. When installing outdoors care must be taken to isolate the power supply into a suitable IP65 rated weather-proof box in accordance with current IEE/Wiring Regulations (if in doubt, consult a qualified electrician).

### Remote Control Operation

Images are for information only. Phoebe LED shall not be held liable for improper operation of the luminaire in circumstances where procedures and specifications have not been followed correctly.
