

CROMPTON LAMPS LED FILAMENT RANGE

Energy Saving LED Decorative Lamps

LED Filament Lamps designed to replicate the look and feel of traditional incandescent lamps. Our comprehensive range includes antique, clear, pearl and crown silver filament in a variety of shapes and caps..

- Retrofit energy saving filament lamps
- Dimmable and non-dimmable
- 2700K warm or 2200K extra warm white
- Ideal for decorative lighting applications
- Provide a stylish, vintage or classic look
- Suitable for domestic and commercial use

Straight available in ST64, G80, G95 and G125
Spiral available in G80, ST64 and Candle

Available in **BC-B22d** and **ES-E27** caps.
Spiral Candle available in **SES-E14** cap.

Antique Straight and Spiral Filament

The Antique range has been designed to combine vintage style and reliability with low running costs. They create a warm and inviting atmosphere thanks to the 2200K extra warm white colour temperature.

The Antique ranges feature low wattage and DuoDim Technology to ensure they are compatible with leading and trailing edge dimmers.

Straight Filament

Spiral Filament

Available in GLS, Candle and Round

GLS available in **BC-B22d** and **ES-E27** caps
Candle and Round available in **BC-B22d**, **ES-E27**, **SBC-B15d** (Dimmable only) and **SES-E14** caps

Clear and Pearl Filament

Dimmable and non-dimmable LED filament lamps that re-create the look and feel of traditional lamps. They provide a classic, stylish look and are ideally suited for residential use and decorative commercial lighting applications.

The dimmable options feature DuoDim Technology to ensure compatibility with both leading and trailing edge dimmers.

G95 Globe Opal Filament

Globe shaped retrofit energy saving LED lamp with opal glass construction. Featuring 2700K warm white colour temperature and white coloured opal glass designed to closely replicate the look and feel of a traditional globe lamp.

The range is fully dimmable with DuoDim Technology to ensure compatibility with both leading and trailing edge dimmers.

Available in **BC-B22d** and **ES-E27** caps

GLS Crown Silver Filament

The LED Crown Silver Filament is a dimmable, 5W energy efficient retrofit lamp that is perfect for providing low glare decorative lighting and can be used in a wide range of lighting applications.

The Crown Silver is fully dimmable with DuoDim Technology to ensure compatibility with both leading and trailing edge dimmers.

Available in **ES-E27** caps

Bent-Tip Candle Filament

The retrofit Bent-Tip candle Filament range features a flared tip and is ideal for replacing incandescent candles typically seen in chandeliers, pendants and other decorative light fittings found in domestic and commercial settings.

The Bent-Tip range is fully dimmable with DuoDim Technology to ensure compatibility with both leading and trailing edge dimmers.

Available in **BC-B22d**, **ES-E27**, **SBC-B15d** and **SES-E14** caps
