

# LED PAR16 SMD

  
**260**  
Useful Lumen

Low Energy Alternative For  
**40W**  
Halogen PAR16

  
**30°**  
Beam Angle

  
Non-Dimmable

**A+**  
energy efficient  
LED Lamps

**Full Glass Body**  
with Prismatic Lens

Utilising the latest in  
**LED**  
Technology

## LED PAR16

| Code | Description | Cap     | Wattage | Colour Temp      | Useful Lumen | Total Lumen | Life       | CRI | Diameter | Height | Energy Rating | Price |
|------|-------------|---------|---------|------------------|--------------|-------------|------------|-----|----------|--------|---------------|-------|
| 6126 | LED PAR16   | SES-E14 | 4W      | 2700K Warm White | 260lm        | 280lm       | 20,000 hrs | ≥80 | 50mm     | 73mm   | A+            |       |
| 6133 | LED PAR16   | SES-E14 | 4W      | 4000K Cool White | 260lm        | 280lm       | 20,000 hrs | ≥80 | 50mm     | 73mm   | A+            |       |

Lighting brilliance since 1878
