

# Colourglazed Sign

Colourglazed lamps provide strong vibrant colours as an alternative to the sparkling appearance of the Harlequin lamp. The coating is applied internally and will not wear away, which combined with the rough service vacuum construction to resist vibration, makes them ideal for outdoor applications where dirt and dust is encountered. Sign lamps are widely used for decorative applications requiring colour and sparkle.

- 1,000 hour life
- Suitable for indoor and outdoor use
- Choice of 7 colour finishes
- BC-B22d, SBC-B15d or SES-E14 caps
- Internally fused for safety
