

LED G9 CAPSULE

A++ Energy Rated, the G9 is energy efficient, saving you money on running costs along with helping the environment.

The G9 Capsule lamp is perfect for display and accent light fixtures. Featuring a miniature design that closely resembles the shape and size of a Halogen G9, the LED G9 capsule lamp is ideal for direct retrofit into existing fittings.

- 6,000 hour life
- 4000K cool white colour temperature
- Colour rendering index ≥ 80
- Instant full light
- 1 year warranty
